Neighborhood Stabilization Program 3

*"Connecting the Pieces
for a Stronger Community"*

The City of Miami Gardens anticipates receiving \$1,940,337 in NSP3 Funds. These funds are being provided to stabilize neighborhoods whose viability have been, and continue to be damaged by the economic effects of properties that have been foreclosed upon and abandoned. The City has drafted its NSP3 Plan which outlines the activities the City plans to undertake with the NSP3 funds.

Public comments received during this workshop will be considered for inclusion in the City's NSP3 Plan.
